Alumni Officers

Siv Hendry Keyser has stepped down as the Treasurer. She has found her own replacement in the one and only Don Quigley. Epp Jurma Sonin made a motion that the remaining officers continue for another term. The motion was seconded and carried.

President: John Hartman '61

Vice President: Mary L Smith Crabb '61

Secretary: Ilene Hampton Smith '62

Treasurer: Donald Quigley '61

The new Officers immediately asked for volunteers to serve on the Advisory Board. The new ByLaws enabled this to happen. The Alumni Officers are grateful to these three individuals:

Cindy Dunne '63, Sylvia Thuet '64, and

Jeff Durborow '61

The best part: We have signed a contract with them to block 100 rooms for our reunion at a rate of \$92.00 + tax per night.

A Full American Breakfast

Juice, Coffee, Eggs, Hashbrowns, a choice of Bacon, Ham or Sausage and Fruit are included with this rate for all you Huongrry Buckaroos!!

The hotel has also offered this rate to apply three days prior to the official reunion date and three days after the official reunion date (based on availability). This allows for you to arrive a day or so early and take in some additional tours, or stay over an extra day to take advantage of some additional tours like the Grand Canyon.

We will set you up with our tour company so you will be able to individually book your tours.

A heartwarming HELLO to all the Alumni who attended our Boston Reunion.

Just a little note to say thank you.

I have had plenty of "down time" from a wonderful four days in the great city of Boston. Spending the time with all of you over the four days goes into my memory bank, and I will fondly draw on the memories as time passes.

Did we all have a great time? And contrary to the rumors that Ernie passed around, I only live on 2 cups of coffee a day. Anymore and you reallyyyyyyyyyyyyyyyyy don't want to be around me. The rest of the energy is just that damn type A personality. The box of wine kind of helped things along too, and believe it or not there was still some wine in the box when I got home, of course it was a big box.

I thank all of you for taking the time to make the trip to New England. A big Thank you to the Seattle Group and Jim Policastro for his charming ways in convincing everyone in 2005 that Boston was the place to be in 2007. Little did I know, with all the BIG DIG going on (you did hear about the BIG DIG on the news, it made national news several times in the past 12 years) that 95% of that area would be ready just for all of you. There is a God! Boston did put on a show. So much to do, so little time, well maybe for all of you; as for me and the rest of the natives, we can return anytime we want. For those of you who extended their trip, I hope you took in many more sites.

As a member of the reunion committee I felt a deep sense of appreciation for the longevity of our High School experiences. How impressive that a group of adults, whose common bond was anywhere from 1959 -1966, can come together so many years later reminisce and experience new places. At all the reunions it seems we just pick up from where we left off from our last encounter with such ease. How easy it was to communicate over the phone with Siv, Ilene and Peggy on reunion matters before Boston. It was great seeing Pat Holmes again, last time was in '88. Spending time with Bob and Judy Morris and reminiscing about the great time a group of us had in the Poconos in 1989.

A big thank you to all our raffle donors and we really did make over \$1000.00 on the raffle, just ask Don. Siv, my daughter loved the three-dimensional box. And we all know how happy Ilene was with her winnings, right Ernie.

The memorial service was profound. Thank you all for sharing wonderful memories of our classmates.

Epp added that magical moment with her beautiful songs and Paul Bailey for leading the service.

Boston is over. Now it's on to Tucson. Good Luck to the Reunion Committee, and if you need any help call Paul Bailey. Two year's sounds like a long time but it really isn't, just ask Jim Policastro.

Please remember Bill Joyce '64 and Tom "Corky" Jannusch '64 in your prayers to give them the strength to meet the coming days. Holly Jannusch passed away in August and Gudrun Joyce left us in September.

Jean Jones Wilson lost her Mother-in-Law a short time after the Reunion. She was 91 and had been in Boston with Jean.
